DISTRIBUTION

FOR THE

PROVINCE OF ONTARIO

CONTAINING

1. The names of the Post Offices alphabetically arranged.
2. The names of the Postal Car Routes, Sections of Postal Car Routes or Distributing Offices through which matter for the several offices should pass.
3. The names of the Offices to which the matter is forwarded by the Railway Mail Clerks or Distributing offices when not mailed direct (Direct mails are indicated by dotted lines).
4. The names of the Mail Routes by which the Offices are served when not situated on a line of Railway. When an Office is served by two or more routes the hours of departure from the several terminal points are given.
5. The (a) (b) or (1) after the name of R.P.O. route indicates offices near a transfer point. Mail for such offices should be kept separate to permit prompt sortation, and avoid *overcarrying* by the route receiving.
6. "Nixie List" of former post offices, closed or names changed.

INSTRUCTIONS

1. Matter for any Office which is supplied by more than one Route should be forwarded by the one by which it will most speedily reach its destination. R.P.O. routes are given first. Baggage Car and Stage Services are shown in last column.

2. In case of change of name, the old name should be erased from the list and "*changed to*" (the new name) written opposite to the erasure. Opposite the entry of the new name should be written "*formerly*" (the old name).

3. It is the duty of the District Directors and Superintendents Postal Service and Postmasters *personally* to see that the Distribution Books furnished to each Clerk under their supervision are corrected by the Lists issued from the Post Office Department, Office of the Chief Superintendent, Railway Mail Service, Ottawa.

BOOK 75.

DECLARATION OF INDEPENDENCE

1776

When in the course of human events, it becomes necessary for one people to dissolve the political bands which have connected them with another, and to assume among the powers of the earth, the separate and equal station to which the laws of Nature and of Nature's God entitle them, a decent respect to the opinions of mankind requires that they should declare the causes which impel them to the separation.

We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness. — That to secure these rights, Governments are instituted among Men, deriving their just powers from the consent of the governed, — That whenever any Form of Government becomes destructive of these ends, it is the Right of the People to alter or to abolish it, and to institute new Government, laying its foundation on such principles and organizing its powers in such form, as to them shall seem most likely to effect their Safety and Happiness.

Prudence, indeed, will dictate that Governments long established should not be changed for light and transient causes; and accordingly the people have suffered long by abuses of this kind. Yet in the course of long time, the accumulation of sad experiences may sometimes induce the patient endurance of the abuses until the blood of the oppressed shall reach the throne, or until the tyrant is driven from his seat.

SCHEDULE showing names of railways from which Post Offices in Ontario are served; the terminal points of the several Postal Car routes or sections of Postal Car routes on these Railways and the abbreviation by which these terminal points are designated in the following Distribution List. DISTRIBUTION

The first column under the Head "Distribution" shows the Postal Car Route or Distributing Office through which matter for the several Offices should pass. The second column under the head "Distribution" shows the Office on which the matter is forwarded by the Railway Mail Clerk or Distributing Office when not mailed direct. The third column gives the frequency and other necessary particulars regarding the service.

Dy.* means daily including Sunday. Dy. means daily except Sunday.

The letters (S) and (W) in the Distribution column show how matter should be forwarded in Summer and Winter, respectively.

An * before the name of an Office indicates a Customs Port or Outport.

(S) after the name of an Office indicates a Summer Office, with name of Post Office in parenthesis (.....) in second column of Distribution, to which mail should be sent when Summer Office is not operating.

A ‡ before the name of an Office indicates that the office has service by Catch Post only.
